Miss Phyllis Duppee

Mr. George Simmons

Mrs. Eleanor Osborne

Mrs. Sylvia Cross

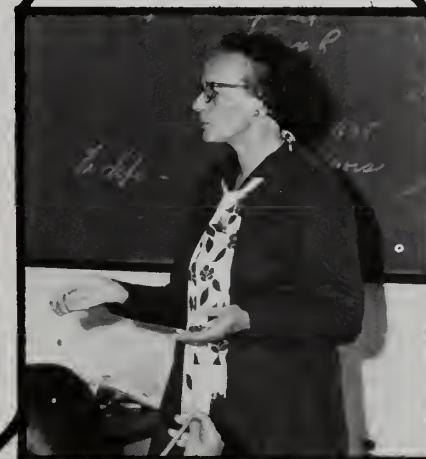

We've had many good example-setters during our years here. We've gone from *The Old Man and the Sea* to *Beowulf*, from  $x+2=7$  to  $f(x)=nx^{n-1}$ ; from Ur to John Kennedy. It has been easy at times and at times unbelievably overwhelming, but we've made it. We thank you.

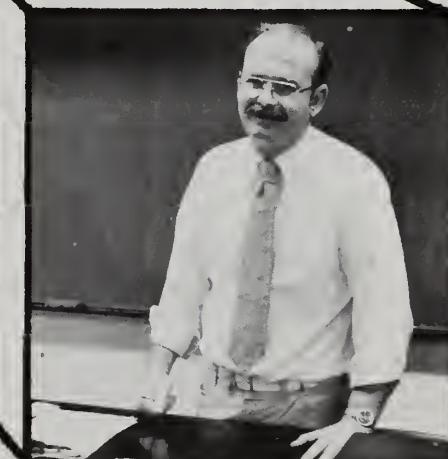

Mr. Charles Bichsel

Mr. James Murphy

Mrs. Marian Whipple

Mr. Ted Mumford

## WHERE WE STARTED

But mommy, I'm clean!

My knees are cold

They call this a playpen?

It's C.O.L.D.

Please let me loose

He's late again!

How do you use this?

Space Cadet

Now what do I do?

Hike the ball!

He's my best friend

What fun!

Is Kim there?

Let me out

That's funny

When do I get out?

I can sleep anywhere

Let's go for a ride

Thank you, Easter Bunny

I love Westerns

Can I keep him?

What's in there?

Don't come any closer

This tastes terrible!

When is supper?

Sailing, sailing

I love camping

GRR ...

Yea, who said so?

What is it?

Do I have to  
wake up?

Why?

May I help you?

Bright eyes

What a devil I am

3 Cheers for my  
side

What down is it?

I hit the lottery

Here comes Mom

Caught in the act

Which way did  
he go?

Million dollar  
smile

Where is my date?

What did I do?

Another day of this

I don't want to  
smile

I hate posing!

Blondes have  
more fun

Little Buddha

Sisterly love

Look at that

You don't say

Hi, Santa

Come closer

Me and my Teddy Bear

Hi, Cutie

So I'm not driv-  
ing

Here we go again

I can't decide

Will it swallow me up?

## JUNIOR PROM

BLUE HILLS  
COUNTRY CLUB  
MAY 21, 1982

Since Freshman year,  
we eagerly looked forward  
to this very special event.  
It is an occasion we will  
remember, always.

The past determines the future. What we've done determines what we can do. Some roads have shown themselves to be short, others are limitless.

Where we are going depends on where we've been. The past is mirrored by an unset future. The future is everyday, and it's moving. The only way to know where it's going is to know where it has been, and where you're going to bring it.

# IN MEMORIAM

*I'd like to leave an echo  
whispering softly down the ways,  
Of happy times and laughing times  
and bright and sunny days.*

*I'd like the tears of those who grieve,  
to dry before the sun  
Of happy memories that I leave  
when life is done.*

## DR. LINCOLN D. LYNCH

### Superintendent of Schools

Message to the  
Class of 1983

Don't lose heart that you can't change  
the world in just a day or two,  
Rather, just do the best you can in all that you  
do today.

You will find that these days,  
taken all together, will make the world a little  
better for tomorrow.

## WILLIAM S. WASSEL

### Principal

Dear Graduating Seniors,

As I think back to the beginning of this school year, I am reminded of our opening school assembly with seniors. At that time I stressed to you the impact that a senior class can have on its high school. The leadership the senior class chooses to demonstrate often times sets the tone for the entire school's success or lack of success.

During 1982-83 we have seen numerous individuals from your class carry out this challenge in the classroom, at extra curricular endeavors and out in the community with excellent achievements both individually and collectively. We are proud of what your class has accomplished.

As you leave Middleborough High School and go your separate ways, I hope you will not hesitate to return and share your success as well as your failures with your former teachers and administrators.

We hope that you feel we have had a small impact on your lives and that we will always be concerned, interested and above all, supportive.

Best of luck in your future endeavors.

Sincerely,

William S. Wassel

## SENIOR CLASS OFFICERS

What does Class Council mean? To some people it is only a title and means nothing. However, for most of us it is a great inspiration to do good for your class. As many of you realize, at times it is very difficult to carry out this responsibility and you may be asked why you do it; only you know the answer to that. Even though academics are hard to accept sometimes, I feel that social communication in the school is always easy. For those of you who don't think so, get involved in your class council; working with others is what it's all about. Many of us have experienced this and I think it is our responsibility to get others to participate. I hope the underclassmen have read this and in the future they think about it, because they may never know how rewarding it is to help their class.

Journalism affects all of us in one way or another. We learn of world conflicts, crises and events from journalistic sources such as radio, television, magazines, and newspapers. In our school, we have a course that helps students understand these sources; it is the Journalism course.

The Journalism course is the only English elective. It is intended to help students understand all aspects of journalism to instruct the student in journalistic skills and to improve on writing and journalistic skills.

This class puts out the school newspaper, The Sachem Sentry. The students write articles, justify their work, put the paper together and sell it. Mrs. Desrosiers supervises this class and guides us in perfecting our skills and developing our talents.

If you made a list of jobs you envied, Sr. Lounge Monitor would probably be close to the bottom. Speaking from experience, being a monitor is no picnic. The number of chores encountered is endless. These include removal of underclassmen, noise control, and stopping pillow fights.

Seniors also feel we should be their servants, and perform such chores as closing and opening curtains and bringing them books or pillows! "Why not?" they say, since we're already picking up trash, we might as well "do them a favor." Monitors also have to take the ever important sign up sheet to the office and change the bulletin board when necessary.

But, the most important task we monitors have is smuggling in a radio for our listening pleasure. This may be a big risk, but we Senior Lounge Monitors are willing to take it, and many more, for our class!

## A TOURNAMENT BERTH EARNED BY DETERMINED FIELD HOCKEY SQUAD

This year's Field Hockey team was definitely one to remember. We reached heights that had never been reached in MHS Field Hockey history. The dream of achieving a tournament berth became a reality. We finished in second place in the league with a 12-2-3 record and accomplished many outstanding feats never thought possible in the eyes of an MHS Field Hockey player. The offense scored an exceptional 33 goals for the season and the defense allowed only four goals to pass through the net. Lisa Brown is to be commended for scoring 15 of those goals.

The season, remembered by team members not just for the stunning winning record is also remembered for the hard work, dedication, teamwork and grueling practices. Field Hockey was a commitment for squad members, a commitment shared with Coach Karen Costa. Together, team members and coach were constantly striving for a goal. We reached the tournament, we're proud, and we will always remember what it's like to be on the top.

# VARSITY ACTION!!

MHS Coaches

Under wrap

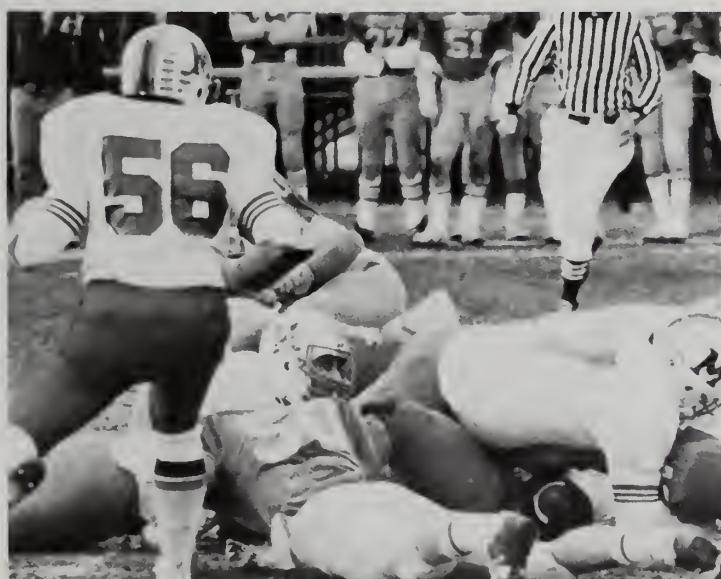

Hey! You guys!

Intent on the play

Pushing through

Ooooffff!

The Varsity football team began their season with a startling victory against Wareham. The success of Sachem defense was evident from this first game. As the season progressed, the team began to lose something . . . players! This year was notorious for the number of injuries the Sachems suffered.

Although the Sachems record was 5-5 this season, many of the losses were close contests where a stronger offense would have made the difference. The Cheerleaders, Band and fans contributed tremendously to the spirit and excitement of the Varsity games.

This year may not have been the best season ever, but all team members learned something about themselves. The 1983 Football team was one of pride and togetherness. Even with five losses, they were one as a team, always fighting for each other.

Congratulations to Alan Hardy who was chosen as MVP, and to Alan Hardy, Jack Bean, and Scott MacNayr who were selected as South Shore League All Stars.

The MHS Soccer team couldn't be congratulated for a winning season this year, but it should be congratulated for impressive team spirit and determination.

CoCaptains Wally Eaton and Charlie Raynes (a SSL All Star) should be given credit for keeping the team going through this long, hard fought season. Praise should also be given to Coach Michael Perry, while in only his second season of coaching Soccer is rapidly teaching his players the complete rules of Soccer.

## CROSS COUNTRY

This year's Cross Country squad, although small in number, distinguished itself with a highly competitive spirit. Consistently fine effort, paced by the excellent running of Frank McCaffrey and Chad Littlefield and improvement of the squad throughout the season, led to a 4-4 league record. Senior Frank McCaffrey ran off with an 8th place medal in the South Shore League meet and 15th place in the South Shore Principals' meet. Congratulations to Coach Jon Majuri and his squad for its consistent effort in a highly competitive league.

Several MHS records were broken this season and the most girls ever qualified for the South Eastern Sectionals. Cocaptains Stacey Greene ('83) and Kathy Newton ('83) were a constant source of inspiration and pride throughout the season.

## Bob at his best

The Sachems, plagued by a rather disappointing record this year, should nevertheless be commended for an outstanding team effort and spirit. Led by Seniors Bob Leite, John White and Captain Peter Caffrey and with outstanding contributions from Juniors Chuck Washington and Chad Littlefield, the team consistently put forth a strong effort. Lacking only Varsity experience, the team lost at least nine games by six points or less this year. Such frustrating losses were the story this year, but their never say die attitude was one that Coach Littlefield and the school can long be proud of. Strong contributions were also made by John Danielczyk, Parnell Harrison and Mike McGuirk.

The MHS Wrestling team completed the season with a 9-8 record. That may not sound like an extraordinary record, but competing against one of the toughest schedules in the state, the Sachem squad enjoyed a very successful season. Coach Berry will be looking forward to more successful seasons as the interest in Wrestling has grown very much this year. Individually, the Sachems had two Norwell Tourney Champions in 114 pound Scott Longanbach and heavyweight Mike Hatch, both finishing the season undefeated with Hatch posting all victories via the pin for the second straight regular season. Dan Duggan and Scott Wassel lost only two and three matches respectively. All four of these Wrestlers should do well in the sectional and state tournaments this season.

The Boys Swim Team had a record of 1 win, 9 losses this season. The losses were due mainly to a lack of depth; many personal goals were set and individual records broken.

Three swimmers, Jrs. Joe White and Capt. Mike Denson and Sophomore Matt Neimeyer made the EMass Sectionals in virtually every event. Joe White and Matt Neimeyer also represented MHS in the state meet.

Overall, the team had a successful season and look forward to a successful one next year also.

## COMMUNITY

*The community  
gives us a home -  
security  
and a town -  
identity,  
and a heritage -  
roots  
Gives us childhood  
memories . . .*

*YOU*

*You mean so much to me,  
I hope you feel the same.  
I don't know how I can say it  
But we have to say goodbye.*

*We grew up together,  
We were hurt together,  
We had so many good times.*

*How come we have to go?  
Why do we have to grow apart?  
I wish we could stay together forever.*

*But that's just a dream.  
You were a good friend to me,  
Helped me through tough times,  
Laughed with me through good times.  
But now it's time to say goodbye,  
But not forever.*

*We're something very special  
and that won't end.  
How can we just forget?  
We can't and we won't.  
When the day comes it will be  
both sad and happy.  
I can't say exactly how I feel,  
except thanks for the memories.  
And there are a lot of them,  
Both good and bad, but mostly good.  
In the years ahead I'll look back  
and possibly shed a tear for us.  
But we will see each other again —  
We have to.  
You mean so much to me,  
You, the Class of '83.*

# FOR SENIORS-

Miss Wiedl,

In this letter we would like to accomplish two things: first we would like to thank you publicly for the long hours you have put in this year in order to make this yearbook a success, and second, we would like to fill this page.

Yearbook advisor, we realize, is a trying job. You're sought out only when things go wrong, seldom when they go right. We also realize that without your help there would not be a yearbook.

We owe you more than we could ever possibly repay, and ask that you accept this letter as a symbol of our sincere gratitude. Thank you very much.

For the entire yearbook staff,

Jim Hilton

## CAREER EDUCATION

Distributive Education and Work Experience programs provide opportunities for students to apply skills learned in the classroom to the real world of work.

In addition to the practical experiences in the field, students earn money from their part-time jobs and are able to help finance their individual living expenses as well as to save for future educational expenses. Many students in these programs go on to further their education while others are prepared for direct job-entry upon graduation.

We salute the industriousness of our Seniors who have taken part in these programs.

## MARIA'S

1 Centre St.  
Middleboro

Seven balloons released  
Float lazily upwards,  
Reaching for the sky

Into two groups they divide  
Red, orange, yellow - blue, green, indigo  
Purple.

But the groups divide further.  
Red is caught in a tree - orange meanders  
curiously.  
Yellow aspires, but can go no higher.

Blue rises too quickly, and bursts.  
Green goes off in his own direction.  
Indigo stops to take in the others from above.

But purple in all his majesty  
Floats triumphantly onward and upward  
Until he reaches the Limit of the sky
